

MULTIPLE SCLEROSIS RESEARCH STUDY

Research Study. We are seeking adults with and without multiple sclerosis to participate in a research study.

What does it require? A single visit to Montclair State University located in Montclair, NJ. You will complete pencil and paper tests and computerized tests of your reaction time and thinking ability. You will complete tests of your physical ability, like walking and placing pegs into a board. You will fill out questionnaires about how you feel. The visit will last approximately 2.5 to 3.5 hours. You must be 18 years of age or older to participate.

Compensation. To compensate you for the time you spend in this study, you will receive a \$50 gift card. To help cover your travel expenses you will receive a \$25 gift card. The total compensation for this study is \$75.

How to Participate. Email sandrylab@montclair.edu or call (973) 655 – 2058 to find out if you are eligible.

**Please include your name & telephone number.*
